Thedrick Harris, Athletic Director and Head Football Coach

Dear Coach,

We will be hosting the Maverick Relays on March 6, 2010 at Maverick Stadium in Marshall Texas. We are pleased to extend this invitation to your girls and boys track teams. We are planning a very competitive meet this year in both the Varsity and Junior Varsity divisions. We will only enter the first twelve (12) teams. Please get your entries in as soon as possible. Early entry allows us to get important meet entry information out to all coaches and teams.

We look forward to seeing you at the Maverick Relays!
