

Coaches,

You and your teams are cordially invited to the 5th
annual

ANDREWS X-TREME XC INVITATIONAL.

Our meet will be held at the Andrews Moto Cross Park located 10 miles North of Andrews on Hwy 385. This course will provide multiple elevation changes and turns. The terrain will consist of packed dirt to loose sand, which will be groomed so that there are no tire ruts and the 5K course will also cross a gravel parking lot. The course will include both the Moto Cross track and include a lap around the 4-Wheel course and a flat, sandy area. We strongly urge you to come early and walk the course, as it will be very different. There is no grass or shade so you might want to bring a tarp so sit on and your own shade. If the course is wet, it will be muddy.
