Please confirm if your team will attend ASAP!

There are two things that I ask of each coach attending:

- 1) Please ask your kids to pick up any trash left by your team and leave camp areas clean.
- 2) **The Meet will be scored using the card system. Runners will receive a card after they finish and they are responsible for returning the card to their coach. Coaches will return the cards in a Ziploc bag (provided in your packet) to the scorer's table. Please fill out all information on the card!**
